#### Mr Cruz

#### Turkey Trot

The Hatch Virtual Turkey Trot 2020

Cost: Free

Dates: Wednesday, November 25th – Saturday November 28th (due to COVID-19, you are welcome to complete anytime during these dates. Due to COVID-19 restrictions, we are asking that you only participate with members of your household and don't arrange meet-ups or group runs.)

Distance: With your student, chart a course from your house to Hatch and back. The official distance to aim for is 1 mile, but feel free to adapt that based on the age and ability level of your family members. You can use mapmyrun.com to map your route and see the distance. Make sure your route goes past The Hatch Patch on the northwest side of the building where there will be a special place to take your selfies and share them. Feel free to start closer to the school if you would like a shorter route. If you are unable to run or walk for The Hatch Virtual Turkey Trot, you can use your scooter, bike, or even do an exercise/activity at home that works for you.

Make Your Own "Hatch Virtual Turkey Trot 2020 T-shirt:" Take your race up a notch by making your own t-shirt or costume. You can draw on a blank t-shirt or you can even draw a picture of a Turkey, cut it out, and tape or pin it to your t-shirt.

Post your pictures to FlipGrid and to social media using the hashtag #hatchturkeytrot2020. Make sure to take a start line picture at your house, a close up of your homemade race day t-shirts, and a picture in front of the Hatch Patch Turkey! Please do your best to not linger at the Hatch Patch. Try to get a fast photo (or even an action photo as you run/walk past the Hatch Patch.) Have students post to FLIPGRID and to any social media with the hashtag.
