

Day of week	Grade	Class Name	Description
Mon	K-5	<b>Chess Club</b>	Join Mr. Righeimer and the Hatch Chess Club to make new friends while you learn and play the game of Chess. The format will alternate between structured learning and free play.
Mon	4-5	<b>Spray Paint</b>	Led by Ms. Ruff. In this class, we will learn about famous graffiti artists, how to create stencils, as well as learn how to use various spray paint techniques. The spray paint we are going to use is WATER BASED... Totally safe to use indoors! Mrs. Ruff will still supply masks though (and crack a window). Students will make a few pieces to take home & a few to decorate our school. PLEASE provide your artist with a smock (old shirt they can leave in their locker for art) as this paint can be permanent.
Mon	K-2	<b>Make + Move- Yoga and Art</b>	BBKY is a mobile yoga & mindfulness company founded by educators, rooted in child development & social-emotional learning, and dedicated to nurturing kids' innate desire for movement and play. This class consists of movement, mindfulness, and art. We move through traditional and co-created yoga sequences, as well as movement + mindfulness games. Children are guided through an art project focusing on the process rather than the product. Some art experiences might include wish stones, painting, eye pillows, etc. Each week will follow a theme and participants will leave with a tangible reminder of the learned strategies.
Mon	K-5	<b>Arts and Carfts Club</b>	Join Ms. Bowman and the Arts & Crafts Club, make hands-on art crafts such as: Aqua beads crafts, iron beads crafts, Friendship bracelets, Keychains, Buttons, Bookmarks, Origami , Rubber band bracelets, and Bead Bracelets
Mon	K-5	<b>Sticky Fingers Cooking-Cool'inary Cooking Club</b>	Join our 'COOL'inary Cooking Club for the 2023-24 School Year! After School Enrichment Cooking Classes with Sticky Fingers Cooking Your kids will have a blast cooking up and devouring our exciting, tasty, and healthy recipes. Our interactive classes incorporate S.T.E.A.M., culture, language, and more, led by our experienced Chef Instructors. Allergies are always accommodated and our plant-forward recipes are nut-free. Explore our lineup of ever-changing weekly recipes below and join us to WHIP up some culinary fun all year! Our cooking classes are perfect for all ages!
Tues	K-5	<b>Slowfire Ceramics Art Club</b>	This 90 minute class will explore the foundational techniques of ceramic handbuilding with Slowfire teachers! If students have previously taken a Slowfire Ceramics class, this course will build on their skills and offer new projects! In a small group, students will have fun learning all the ways they can build functional and sculptural items out of water based clay. We will then underglaze with a wide variety of colors, learn about specialty surface design techniques, and add a clear glass coat to their pieces. We will be firing and glazing their works, which requires time for the clay to dry, and the kilns to fire, so please note students will be bringing their work home at the end of the session! All materials, plus outside labor and kiln fees, are included in the cost of the class. All materials and kiln firings included in the cost of the class. Please note each artwork must go through the kiln twice and there is substantial off-site labor involved in processing student work.
Tues	5	<b>Steel Band (5th grade)</b>	This class is taught by Mr. Jacobson and his father, Paul Jacobson. It is designed for 5th grade students who have enjoyed playing steelpans in music class and want to dive in deeper. Students will learn rhythms and melodies by ear and also with sheet music, focusing on ensemble skills, groove, and literacy. Soca is a modern style of music from Trinidad and Tobago, where the steelpan originated. 5th graders will be exposed to various styles and grooves worldwide, including soca, calypso, rock, funk, pop, classical, Latin, and more. Although it is not required, it is highly recommended to commit to the steel band for the entire school year so that we can build a cohesive ensemble that is capable of performing at a high level throughout the year. Session one will include one performance in the Hatch auditorium on a date TBD in May. Also offered on Thursdays.
Tues	K-5	<b>Kuumba Kids Dance!</b>	Get ready to move and groove in the vibrant beats and traditional steps of West African dance. It's a fun cultural enrichment experience that combines the art of movement with education. Wear your most comfortable threads (leave those jeans at home!).
Tues	3-5	<b>I'm Hooked. Learn to crochet</b>	Students will join Ms. McCarthy to learn how to crochet stitches and read a crochet pattern. New and returning students are welcome.
Tues	1-5	<b>The Little Bits Workshop</b>	Kids will learn a wide variety of crafts and skills: fiber, sewing, drawing, and more!
Tues	K-5	<b>Creative Kindness Kids</b>	Led by Ms. Ruff and Ms. Awe, Students K-5 are invited to join this group of creative leaders to bring kindness to Hatch through art! Each week students will read a story or learn a life lesson and brainstorm how to show kindness, love, respect and how to make everyone feel a sense of belonging at Hatch. Art projects might include posters, murals, chalk drawings, window decorations, and t-shirts. The group will also lead special activities in the school to promote joy and community at Hatch.
Tues	3-5	<b>Running Club</b>	Led by Ms. Sutschek. The running club is an active, healthy club for students who like to run, jog, walk, and improve their physical fitness! Challenge yourself with friends and join running club!

Wed	K-5	<b>Infinity Arts Academy at Hatch (Drama, Dance, Music)--Disney's Moana Jr</b>	<p>Disney's Moana Jr. is a musical adaptation of the 2016 Disney animated film, bringing the adventures of Moana and her village of Motunui to life onstage. This thrilling and heartwarming coming-of-age story follows the strong-willed Moana as she sets sail across the Pacific to save her village and discover the truth about her heritage. Moana and the legendary demigod Maui embark on an epic journey of self-discovery and camaraderie as both learn to harness the power that lies within. With empowering messages of bravery and selflessness, Moana Jr. is sure to bring out the hero within each of us.</p> <p>Celebrating the rich history of Oceania and based on the beliefs and cultures of the people of the Pacific Islands, Moana was developed in collaboration with an Oceanic Trust – a group of anthropologists, cultural practitioners, historians, linguists, and choreographers from the Pacific Islands. The same respect and attention to detail used to develop the film was carried forward in the creation of this stage adaptation, with a host of cultural resources available in the ShowKit® materials.</p> <p>With IAA@Hatch students get the opportunity to learn a multitude of skills while working together towards the performance of "Disney's Moana, Jr". Each student registered receives a part in the show, no experience required. Students will have rotations in Dance, Drama, and Music in preparation for their production, as well as play theatre games, and learn foundational skills for performing on stage. Each student will get to perform in a fully produced production with costumes, sets, props, etc! The kids will work hard and get to feel so proud when they see all their hard work pay off on show day. We have had the privilege of teaching generations of Hatch students and we are so excited to be back with our Hatchlings!</p>
Wed	K-5	<b>Slowfire Ceramics Afterschool</b>	<p>Slowfire at Hatch is an after school art education program offering enrichment in the following mediums: painting, drawing, printmaking, sculpture and ceramics. Our dedicated staff and low student:teacher ratio allows us to cultivate community, create personal connections, and teach art FUNdamentals. Daily Schedule: snack, free play (outside if weather permitting), and a 75-90 min art lesson followed with free choice. We are an electronic free space, (unless used for art resource or reference).</p>
Wed	1-5	<b>Foundational Engineering w/LEGO</b>	<p>Does your learner love to tinker and create new things, or are they the kind of learner who likes to break things apart to see what's inside? If so, they're going to love Snapology's Foundational Engineering: Machines and Contraptions program! This program gives your student the tools they need to understand mechanical movement and the importance of simple machines. They will see these moving parts up-close as they follow instructions to build various machines and contraptions, then use the models to develop new design ideas, test out physics concepts, and even play games with their partners and classmates. Whether they are the creative-constructive type or prefer the inquisitive-deconstructive way of learning, this program is sure to spark their engineering interests!</p>
Wed	K-5	<b>Pokemon: Gotta Catch them all</b>	<p>Led by Ms. Hanson. Let's learn about and explore all things Pokemon.</p>
Wed	4	<b>Steel Band (4th grade)</b>	<p>Scott McConnell and Matthew Kiser teach this class. It is designed for 4th grade students who have enjoyed playing steelpans in music class and want to dive in deeper. Students will learn rhythms and melodies by ear and also with sheet music, focusing on ensemble skills, groove, and literacy. Calypso is a traditional style of music from Trinidad and Tobago, where the steelpan originated. Students will learn a variety of songs and musical styles on the steelpan. Although it is not required, it is highly recommended to commit to the steel band for the entire school year so that we can build a cohesive ensemble that is capable of performing at a high level throughout the year. Session one will include one performance in the Hatch auditorium on a date TBD in May. Two classes taught one after another.</p>
Wed	3	<b>Steel Band (3rd grade)</b>	<p>Scott McConnell and Matthew Kiser teach this class. It is designed for 3rd grade students who have enjoyed playing steelpans in music class and want to dive in deeper. Students will learn rhythms and melodies by ear and also with sheet music, focusing on ensemble skills, groove, and literacy. Calypso is a traditional style of music from Trinidad and Tobago, where the steelpan originated. Students will learn a variety of songs and musical styles on the steelpan. Although it is not required, it is highly recommended to commit to the steel band for the entire school year so that we can build a cohesive ensemble that is capable of performing at a high level throughout the year. Session one will include one performance in the Hatch auditorium on a date TBD in May. Two classes taught one after another.</p>
Wed	K-5	<b>Sticky Fingers Cooking-Cool'inary Cooking Club</b>	<p>Your kids will have a blast cooking up and devouring our exciting, tasty, and healthy recipes. Thurs	5	<b>Steel Band (5th grade)</b>	This class is taught by Mr. Jacobson and his father, Paul Jacobson. It is designed for 5th grade students who have enjoyed playing steelbands in music class and want to dive in deeper. Students will learn rhythms and melodies by ear and also with sheet music, focusing on ensemble skills, groove, and literacy. Soca is a modern style of music from Trinidad and Tobago, where the steelband originated. 5th graders will be exposed to various styles and grooves worldwide, including soca, calypso, rock, funk, pop, classical, Latin, and more. Although it is not required, it is highly recommended to commit to the steel band for the entire school year so that we can build a cohesive ensemble that is capable of performing at a high level throughout the year. Session one will include one performance in the Hatch auditorium on a date TBD in March. Also offered on Thursdays. Although it is not required, it is highly recommended to commit to the steel band for the entire school year so that we can build a cohesive ensemble that is capable of performing at a high level throughout the year. Session one will include one performance in the Hatch auditorium on a date TBD in March. Also offered on Tuesday.
Thurs	3-5	<b>Multi-Sport Madness</b>	Multi-Sport Madness is Legacy Sports Camp's most popular program. MSM features a handful of traditional gym games like tag, capture the flag, dodgeball, kickball, soccer as well as our popular Legacy games like Hand Hockey, Connect 4, and Battleship.
Thurs	3-5	<b>Legacy Flag Football</b>	Get your touchdown dance ready because Legacy Flag Football is at Hatch! Each week, players will face-off on new teams in a non-contact flag football scrimmage. Whether your child is new to the sport, or already a Flag Football Legend, this program is a great way to encourage teamwork, physical activity, and sportsmanship - all while having a blast!
Thurs	K-5	<b>World building with Legos</b>	Led by Ms. Husbands. This class is an exciting collaborative class for both master Lego builders and those students just getting started! Each week will challenge students to use creative and critical thinking strategies. We are using Legos to promote STEM engagement. This class will be about innovating with Lego in a fun AND educational environment.
Thurs	K-5	<b>Gamemaster Game Clug</b>	Led by Ms. Awe. Do you love family game nights? Develop your strategy skills or try your luck at old favorites and learn new games you've never played before! A fun engaging class for all grade levels.
Thurs	3-5	<b>Lights, Camera, Action!</b>	Led by Mr. Rigeimer. Have you ever thought about becoming a filmmaker? Join us on an adventure that teaches students the parts necessary to make a movie. Students will learn how to write, act, film, direct, design, and edit a movie. You will learn how to use iMovie and other applications to create an original film that will premiere at Hatch.
Fri	K-5	<b>STEAM-sational with Kidcreate Studio (5-12 years)</b>	Calling all smarty-pants! Get ready to explore S.T.E.A.M concepts in totally rad and creative ways that will result in cool creations you'll be proud to brag about - from your very own pinball machine, a creative Venus flytrap, a colorful kaleidoscope and magic ink that will light up a cityscape, plus loads of experiential learning and messy fun along the way! Let's get our science on like never before with this one-of a kind S(mart) T(alented) E(xperimental) A(Awesome!) M(Magnificent) camp experience.
Fri	K-2	<b>Multi-Sport Madness</b>	Multi-Sport Madness is Legacy Sports Camp's most popular program. MSM features a handful of traditional gym games like tag, capture the flag, dodgeball, kickball, and soccer, as well as our popular Legacy games like Hand Hockey, Connect 4, and Battleship.
Fri	K-5	<b>Sticky Fingers Cooking</b>	Your kids will have a blast cooking up and devouring our exciting, tasty, and healthy recipes. Our interactive classes incorporate S.T.E.A.M., culture, language, and more, led by our experienced Chef Instructors. Allergies are always accommodated, and our plant-forward recipes are nut-free.
